LED street light

Make : Teamtronix LED Light
Model : TTSL - 40
Type : A/C LED Street Light
Watt : 40 W

Go green ... Increase your profits

Estd 1994

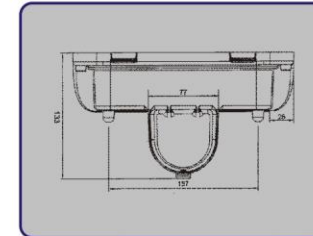

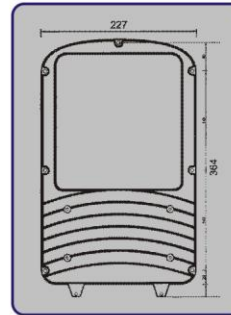

TECHNICAL SPECIFICATIONS

Power rating	10 - 200 W
Input Voltage	90 - 280 V AC
Frequency	50 Hz ± 5%
Power Factor	> 95%
Driver Efficiency	> 90%
Driver type	Constant Current
Operating Temperature	0 - 60°C
Protection	Over heat, Over Voltage & Surge
Voltage Harmonics	< 2%
Current Harmonics	< 5%
Efficacy	> 85 lumen/watt
Colour Rendering Index	> 70%
Certification	CPRI*, ETDC*, MNRE*, DGS&D*, CE/UL*
Solar	Available 10 W & above

Luminary :

- Aluminium Die cast with Heat sink grade aluminium
- Toughened glass with Silicon beading
- IP65 certified for Waterproof and dust proof

Applications

- Pathways
- Highways
- IT Campus
- College Campus
- Parks / Resorts
- Malls
- Flyovers
- Etc.
